GENERAL FAQ'S

Why are booster club membership programs being consolidated into H-Club?

Consolidation provides a centralized membership path to support Hawai'i Athletics and our nearly 500 student-athletes.

When will membership consolidation occur?

Membership consolidation will commence with 2024-2025 sports seasons.

Can H-Club contributions be directed in support of a specific team?

Yes. H-Club gifts and membership payments may now be directed towards the sports program of your choice. Simply select your favorite team at the time of payment to provide direct support.

Funds will support the operating budget of the selected program, including critical needs such as scholarships, meals, team travel, and more.

Will booster clubs continue without membership programs?

Yes. Booster clubs will continue to provide valuable support to teams and coaches through fundraising events, including team banquets and other social gatherings. Funds raised from these events will be added to the UH Foundation accounts of the respective programs.

What will happen to the benefits previously enjoyed by booster club members?

Several former booster club benefits have been incorporated into H-Club, including access to coaches, event invitations, and apparel.

Will booster club dues be credited towards 2024-2025 H-Club membership?

No. Only previous year seat premiums and current year H-Club membership payments are credited towards H-Club membership.

May I make a donation directly to a coach in support of their program?

Yes. Donations to specific sports programs may be made via UH Foundation at any time. Please note these contributions do not earn H-Club benefits.
